Greetings from Romania's white harvesting ready field!

FIVE LEADERSHIP BIBLE SEMINARS OVER ROMANIA

We just ended up a teaching leadership tour around Romania for about a couple of weeks. It took off from the east to the north, and then from the south to the west, reaching to five major regional cities of Romania.

Congratulations to the following pastors and missionaries who lasted strongly along with me on this long-mapped road: Bishop Larry Pyle, pastor

Mark Moore, pastoring as a missionary in Turkey, and Dean Lowman a world missionary for Christ leader. The team was just a great ministry theological mix of practical teaching, illustrating a true discipleship work while reaching the whole world for Christ by displaying His love to everyone around us. This exposing exponential teaching was delivered to a few hundred pastors and leaders around Romania, the result was

truly transformational and a blessing to all of us in Romania.

I just praise God for the divine appointments He made for all of us to offer God's given ball to be easily played on each other's field of ministry.

LIFE CENTER GRADUATION AND ENROLLMENT

Again, the Life Center ministry made the difference in the world!

These students graduated from their own domaining universities and left for good the Life Center to carry the bright light into their futures.

Fifteen students graduated from this last academic year into a variety of career fields like: medical school, social assistance, dental, law schools, and different

engineering capacities. Praise God for each victory on this mission field of the ministry.

At the beginning of the new year, the Life Center accepted 15 new promising students to replace the graduated ones. As always, each of the new enrolled students were in much need of didactic and social assistance.

Any new beginning entails much work for each one of us involved, we stand ready help these precious young men and women to succeed spiritually, morally and materially.

More Romania Pastors takes Didactic Training to Teach in Public Schools

Lately more evangelical church leaders from all over the regions of Romania are taking extra courses to be able to teach religion in any elementary and general state schools. When this discipline was first introduced on the schooling system of Romania it was mostly the Orthodox priests that were qualified to teach the religion class. Only a few pastors who got a theological degree recognized by the government were allowed to stand and teach before a public pulpit class. Now, this status has positively changed toward favoring the Evangelical trained leaders to teach the religious required class. And of course, CCFR had favored it too and supports some leaders to teach this Bible value class so that every Romanian child can now hear about our one and only true Jesus living among us.

Long-life dedicated US pastors leading churches and riding into the white harvest field of Romania, accomplishing the achievements we see today:

Earle & Nancy Farwell, sacrificing a lot to keep giving their love. Dale Landes - strongly loves Romania through generous deeds. James & Jill Bond made history by standing with us. David J Markey, a longtime friend, teacher, and supporter for us. Eugene Seibert heartily continues his father's Dickson vision to help reach Romania. Harley Fiddler, the longest friend and supporter, my Holy Spirit teacher while at CFNI, and now for Romania. Matthew Anderson, a longest friend and generous love supporter for us and Romania. Dale Yerton a longtime teacher with us in Romania, abided by Don Sims to transform the leadership in Romania. Harold Maxey, a sent man by Jesus to befriend me and to bring better times for Romania. Larry Pyle, still teaching pastors in Romania, like he

did for the past 25 years ago. James & Betty Robison, the Life Center co-founder and builder, a generous sponsor. Bishop Pastor Glen Davis, a rolling loving fatherly heart for missions, especially Romania. David Love- a Calvary love outreach to bless Romania forever. Golan Lindsay, CFNI - Freda's pioneering vision continues to impact Romania for Christ. Mondy Cano standing on Juan Ortega's love for world & Romania missions. Rafael Gutierrez a most passionate world missions' heart to help every missionary he sees. Charles Flowers a passionate outstanding heart to bring Romania closer to Christ. Randy Santiago, and Tom Underwood continues Don Grosvenor pioneering vision for world missions and commitment for Romania, Luis A Grillo standing stronger in the path of pastors Stover's vision to reach Romania for Christ. Richard Heard, regular Christ's teacher for us the leaders in Romania. Mark

Duke Jr continues the love outreach of father's Duke Sr – loving their Romania family forever.

Again, here I may name our CCFR co-workers: Rusty and Linda Bowles, Lowell and Sally Senitz, Bob and Millynnne Brown, and our friend Craig Musgraves, CCFR printing this newsletter. What a great team we got right here, sure I'm giving praises to God for each one of them! And sure, there behind us are many other who blessed Romania on times past. And each one who gave in the past or still gives at times, even smaller donations were and are not forgotten. These are kept on our historical memory and thanksgiving list here, while also in God's heavenly record.

Yes, I'm sure, in the Day of judgement throne of Christ imparting personal forever rewards, each person would be called out to receive the engraved Romania precious stones as governing Romania stars. Thanks for taking the soldier ranks to fight on the front lines of war with us, and our brothers here in Romania!

Thank you from John & Viorica and your Romania family,
John Dolinschi
