

Christ Commission For Romania

A ^{abundant}
Life Greetings this
month of June!

The sixth month of the year should stand as a life symbol of God's work that is done well. He created according to His divine design, passing from creative words into the making of the creation:

Let Us make man in our image, according to our likeness! Gen. 2 : 26A.

Certainly, we are handmade to His likeness and we should do the same. We should work from our creative words into the hand making work. Father's will is to do and to finish according to the thoughts and words we promised to Him. We have to be more than conquerors to finish our race well!

There is no thinking, maybe or maybe not I will do the work, because this is a must for all believers who received Christ as Lord. We all are newborn creations in Christ and are doing the works of the Light.

Here is an Outstanding Project to Stand for:

This is the right time to invest into the Bible School training courses and books online as the church of Christ has reached a pinpoint level. Now we're in a move from the first level to the next higher level. The voice is crying in the wilderness: Prepare the way of the Lord make His paths straight! The rough ways smooth, and everyone will see the salvation of God. Time to prepare as the Lord's coming is approaching to reign soon over the whole earth.

Most of our pastors and leaders know how to work in the ministry toward others as the Word Logos has been taught and is present with them. The Rhema word shows up as those in Christ do and to reach out to others.

My present outreaches are still either by phone or online, witnessing, testimonial, advising, counseling, planning, praying and fellowshiping with our leaders and believers. This work is fine as each minister is doing his or her own part steadily. Yet, for all of us, it is best to go where people are, reaching the people right on their local fields. However, these outreaches here are not lacking as the involved believers are growing in Christ. Our Lord promised to guide and lead us and each minister. We are empowered through the Rhema Spirit, that is the Spirit of wisdom and understanding, present to guide each one of us just exactly as the Bible teaches.

Writing and publishing in Romanian a New Book project:

Christ's Messenger to Romania is in the process of translation, in publishing and printing it in Romanian.

The book is much needed to be fully released in Romania, in-powering ministers in the ministry. Romania of today is not the same Romania I had grown up and lived in. In communist Romania people were empty inside and craving to fill up their souls. The spiritual life challenges overrode us under persecution. This purging fire solidified us to endure and become stronger in the Lord. While under communism I often had used this godly saying; "The choice here either to be cold or hot because the warm Christianity have been expelled out". But now when the cool and comfortable Christian became a profitable choice we have to get in the middle to nourish and feed them into the hot life of Christ as this is the only path to heaven.

A second book I am writing is coming soon, in fact this is a bookbinding package of two Bible courses I wrote and taught a decade ago in the leadership Bible seminars around Romania. I have improved and added a couple of great stories as large morsels leftover from the biography book.

Please still invest your thoughts, and prayers and whatever support possible toward these two books. These are like teacher substitutes, training and raising harvest workers into the white ready fields. For now, the starting point is translation, writing, then editing and printing, this project is truly a great uplifted blessing for many prospect leaders in Romania as well In America.

And once the new book is published in English, I do promise to mail a copy to each one of you who generously supported CCFR ministry, the Bible literature fund and personal support you blessed us and the ministers in Romania.

Speak out the blessing words you are declaring over us and Romania, you stretch out your loving hands to reach and practically bless us. As this will never be forgotten but lasting through all eternity.

Our leaders in Romania are on the Emergency call to Rescue the most Needy

Irina Jancu is a single mother who with a much loving care raises her six small children. She just received the Lord this pandemic season. And here she confessed, I am like married again as I became the bride of Jesus, and I felt His love all over me. Next, I will be water baptism and I will consider it a wedding party for me when publicly vow my life to serve Him forever and have more people and friends to witness my covenant with the Lord. But we need to wait until the pandemic emergency ends. Then more people will be permitted to stand around our new sister Irina.

When we decided to visit and help this mom, we loaded ourselves with potatoes, corn and wheat flour, frozen chicken, and hygienic stuff like bathroom tissue and laundry washing stuff. All these items are still lacking in any nearby stores. We also gave her some cash as she was late with the home utility bills.

But what made the whole difference is the fellowship prayer and singing together with the family, in their home. We did a little church service while she started to cry and exclaimed; I want to know as you know the Lord Jesus who loves us so much, and right here I do feel His love all over me.

Corvid-19 outreach

May I touch Him right here too? Sure yes, we introduced her to Jesus, and with her children around prayed the sinner's prayer, dedicating her life and family to her new found Jesus.

Now you may understand, all of this happened because these brothers in Christ who visited this lady, first had been trained, lifted up and encouraged in the Lord before presenting Jesus alive and well. And minister and serve in the light of what they had received inside their own hearts. What a wonderful grace, we set up here to multiply even in this hardship times we are living in today!

They visited twenty emergency cases reaching and blessing. Some were saved this past month, and sure each one of them is backed up with a testimony of the sufficiency of God's grace.

Here Pastor Costel Gramada Presents the Leaders who had been Blessed under his Leadership:

Petre Vasile, local pastor:

(This month we sent funds to help)

This emergency aid came at the right time as the lack of money and supplies became evident into my house. My wife wondering if by the end of the week, we would be able to make the ends met. And here, it was a complete surprise for us to see that lifeboat came all the way from America, and Pastor Costel sharing these goodies with all of us! Thanks for making our lives and ministry path smooth, now we have heart and mind to minister to others in need around us. May the Lord

bless you for what you have done my brother and sister in Christ!

With love from Romania, Vasile

BOȘTOG VASILE, associate pastor:

Besides sustain us morally, in your prayer and thoughts, thanks for making a practical difference in the lives of the Gospel ministers, I'm referring to CCFR side of American ministry! Especially, we want to thank our great guest teacher for Romania, Dr. Dale Yerton who always enriched our lives spiritually and physically. We also send a heartfelt thank you to our friend Rev. Dale Clark who both blesses us here in Romania over many years. Their names are often spoken and reminded here by Pastor John Dolinschi and our senior pastor Costel Gramada. Myself, my wife Becky and our baby were blessed to get the money we so badly needed to pay off our expenses and utilities. It is a wonderful grace to serve the Lord here in the state of Ialomita county, and Urziceni city where the emergency needs are many, just these past days we distributed food and Bible literature to the needy families here. Thanks for your love generosity,

Pastor Vasy Boștiog

BRUMĂ OCTAVIAN, associate pastor:

Thanks for your spontaneous support we were not expecting. We are the ones who are supposed to minister to others, and seldom to receive personal aid from others. I had a little monthly income but because of the crisis this stopped. My job is teaching at the school. The Romanian government didn't subsidize our salaries or offer any grants. Yes, my family of four little kids needed each dollar to make the ends met.

Thanks for being a blessing in time of need,

Octavian B,

Nicu Gheorghe, I am a new believer in Christ who Saved a big sinner, me!

I saw myself as a worthless nobody. But now I am a value to Christ who died for me. I attend a new class of discipleship growth. Thanks the Lord that my brothers saw the valuable part of me. The Lord changed my inner thinking, and my teachers helps me to grow in Christ. What a blessing I have in knowing Christ, and these wonderful people of God.

Thanks also for helping my family to make the escape to the Sea shore as my wife and kids were very much concerned where our next food supply was. Here our

Lord and you made the difference for our lives are precious before Him.

Nicu in Christ Jesus,

Laboring together in Christ, this is a team work!
