*Newsletter April, 2014*

**A**pril is the month of the spring flowers! My prayer for all of us is: “Let’s bloom in the garden of Jesus to maturity and fullness of life for Him and that our Christian aroma will spread to others”.

Now it is a favorable season to hold open-air evangelism, church planting and Bible teaching ministries. Please pray that in these plowing and seeding months we’ll have plenty of seed to plant and then the rain, and then gather the fruit into God’s storehouse.

In this letter, I want to prepare for the planting and get the tools into the sower hands. Then just watch and see the miracle of spontaneous harvesting followed right after the seeding.

In the month of May we’ll have two national leadership conferences, many local and regional Bible and leadership seminars, and we will be continuing with discipleship Bible schools, from where the new leaders are springing. We’ll have lots of practical evangelism and open-air outreaches.

Let’s make this month of April a month of prayer, fasting and given our food to others, then expecting a year of Kingdom growth and expansion, both in our homes as in Romania as well in our local churches.

### ONE TIMELY SPRING PROJECT

Disciples Bible School is a much-needed ministry in the land of Oltenia and Muntenia. It’s the only way to raise a new breed of fresh leaders, and then further help them into the Bible leadership seminars and conferences. Then in the end, at the final line workshop, comes a new leader, a pastor for the new-planted church for the town or village. There is no short cut to disciple a precious saved soul, after outreach and evangelism the following step is a church plant and that translates into continuing to reach out the town people’s many needs. Many more souls need the light we have. We have to take into account that before we came, there were no believers at all, no knowledge of Jesus Christ or the herald good news of a God who saves, loves, heals, care and blesses. And after given their lives to Christ, then we have to pick them right from the swing crib and turn the babies into grown ups, leaders and pastors, labors for the new plowed and seeded field.

However, the process of making new leaders, is a full dedication and time. We need someone to tutor and stay with them, a pastor, a teacher, Bible courses, a classroom, a meal. And as you know raising kids ends up with spending money and more money, and time to direct, guide and teach.

So, besides prayer, these Discipleship schools need our support.

How many times, myself, Pastor Milo or somebody who has pocket money, just take that money out to meet a need or a project. We often give from our own budget to meet the immediate important need, while trusting the Lord to take care of our personal needs. But as both you and we know, our Lord is worthy to be trusted. We still bless and thank Him if our need is not met for I’m sure, sooner or later He will reward us somehow. He knows how to take care of his children.

### PRAISE THE LORD!

But first let's thank the Lord for His goodness over the last months and years:

PRAISE THE LORD for the dozens of the leaders who came out well trained and now laboring in the white fields.

For the several churches that were planted and some of them have built their own building or are under construction.

PRAISE THE LORD for the thousands of orphaned and very poor kids who are being rescued and saved for eternity.

PRAISE THE LORD for the thousands of youth and teenagers who are blessed in many ways, spiritually and physically during the summer camps.

PRAISE THE LORD for the several hundred of Life Center youth who successfully graduated to a better life and saved for the whole eternity.

For the many hundreds of pair of shoes that were provided for hundreds of orphaned, poor and street kids.

And specially, for the spiritual breakthrough into the land of darkness of Walachia, southeast of Romania, called Oltenia and Muntenia, where today the church planting is higher than anywhere in Romania.

PRAISE THE LORD for Pastor Relu Paraluta who received new glasses and now is able to read and teach and preach from his Bible. The last month newsletter we mentioned the eyeglasses project for this saintly man. Right away a precious brother from Kansas fulfilled this need.

PRAISE THE LORD for the Life Center transportation van, and for the purchase of a personal ministry car.

Praises be to our Lord God who provided for the needs and projects described above.

PRAISE THE LORD for all of those givers who are our partner with God to make all of these miracles possible.

Thanks the Lord for Bob and Millynne Brown who are our faithful accountants and the masters of these newsletters.

Thanks God for Rusty and Linda Bowles who are back with us in the ministry, when first we started CCFR it was with them. Our first office was in their home.

Rusty will take care of our CCFR web site, he is updating it and will make it really look nice as well posting the newsletter on it. Welcome back with us Rusty and Linda!

Pray now for God's will to be done as in heaven so in Romania, and as well in our personal lives and families.

Pray for me as I begain a season of lots of ministry traveling. I need protection, safety and much anointing and rest all the day along.

Pray for my family to stay healthy, safe and blessed,

Thanks for your prayers and support,
