

Christ Commission For Romania

Another year has passed by so fast and the most important thing for us is, His returning is one year closer! Halleluia! We have made great plans for this year and this is good but I believe the most important “plan” is for us to draw closer to the Lord. May He help us all to do that even more in this year, not forgetting that we are just aliens (exiles) and strangers on this earth (1Pet.2:11, Heb.11:13)...

We praise God for each new day, for each week, month and year that is given to us as a gift from Him. Again, we praise the Lord for last year’s help and provision for this ministry. The Lord used you and me to finish His divine designated work in Romania! What a great God we serve!

I’m praying for you, and thinking of you as I send out my prayerful thanks cards. I’m praying for each of you as the written message comes to my mind. I also pray when I receive the giving reports from the Texas office. I do pray and thank the Lord for each of you, one by one.

Let us, join in prayer for this fresh newyear, believing in His power to prosper in good and bad times, receiving His divine gift of good health and safety while on this earth serving Him faithfully.

- Please Pray for my family, Viorica and I, Alina, Nadine, Nathan and Christina.
- May all of us find favor before the Lord, in everything we do as we honor Him!
- May all of us stay healthy and safe, and protected wherever we travel and stay.
- Ask for His divine provision not be lacking both personally and of the ministry.
- Thanking and asking further the Lord for the overflow of His anointing and power.
- Pray for His purpose never to be diverted or hindered in us, by us or by any others.
- Believe with us to raise-up true disciples as leaders to come out strongly for the Lord, and serve others.
- The fellowship of pastors and leaders to be perfected according to His will.
- Let us ask God for teaching pastors and church teams from America to come and give us a hand of help.
- Church planting and church buildings to be fulfilled as planned from above.
- Bible Schools, discipleship schools to come under His powerful Word.
- Life Center, youth, orphan and poor children ministries to rescue and get them saved.
- Pray that all the existing ministries keep growing stronger until the job is finished.
- Pray that the Lord direct us to new endeavors and guide us in His perfection.

Pray for Bob and Millynn Brown from the Van, Texas office. These guys do a lot for the ministry. Their big hearts and hands are with us out in Romania. Keeping the books and the office with limited time, and in good order, editing, designing, and printing the regular letters; this is a great job and big accomplishment in itself, isn’t it? And that’s why you read these good newsletters at the right time. Then the money you send, Bob wires it through our bank here, to the ministry bank offices all over Romania, not only one office or place but wherever you had designated the fund to go.

Please keep them in your prayers and blessings! If you feel do send them a gift, please do so.

Bob is working another full time job, and besides the weekends and evenings, he also takes off a full day from his printing job to work at home just for CCFR. From the beginning of this ministry, we’ve decided not to paid a full time employee on the side of the USA ministry. With a salary paid here, the same amount there will support ten full time leaders working the white fields of Romania.

ABOUT CCFR NEW CHANGE

A piece of good news as you may already know, since the end of the last year we moved our non-profit status to be taken care of by FGFCMI, a ministry started by the late Gordon Lindsay the founder of Christ for the Nations, Dallas.

Our decision moved this heavy load from Bob. It also cleared up the problem the IRS was giving us about filing forms. We now have the full support of FGFCMI and their staff to keep all the requirements the IRS needs from us. **We are fully covered and able to continue giving tax-deductible donation receipts.** I am thankful that I can spend my time here doing the itinerary and speaking engagements calls, writing and presenting the multifaceted ministry projects that are always active on the roll inside Romania, as well writing this monthly news letter, and taken time to pray, write, thank God for all of you. My hands are really full with this God’s worthy living work.

Now, at least this friendly ministry helps us to keep updated with the IRS and the always-new changes and requirements. For a long time we have been in the fellowship with FGF-CMI, and we have some churches from the Fellowship who supports us, and at times a few of these pastors have traveled to Romania, to help with the large expanded network that is all over Romania.

If anyone reading this letter has the time to help us with the USA ministry office logistics, please don’t hesitate to contact us.

OUR FRIENDS

We don’t want you to forget about and remember in prayer the first people with whom we got the CCFR ministry running, for many years, Lowell and Sally Senitz who are doing a great rescuing ministry for the girls who are being abused through the sex trafficking slavery. They are in strong shape and high in the ministry, and still living in Florida.

CCF ROMANIA OUTREACHES

Discipleship Bible Schools and Leadership Training Programs are where we need leaders who humble themselves to serve the poor and to reach to the needy and hungry. Please pray that we’ll have grace, favor and anointing to raise and

grow up this new harvest of men and women to preach the Gospel and prepare them to be the servants of all. Without Jesus and committed disciples, like we have today, we can't accomplish much in Romania.

Evangelism and Church Planting is on going. We need people able to teach and preach to multiply the reaching out ministry. Once we have a church in a town or village we plant the Masters mustard seed, Kingdom of God station moved to the earth right in their midst, and I assure you they can't ignore God's heaven on earth. Because when the darkness is pierced by the light, they will come and take a look to see what is shining on this hill of town. Then the hopeless hungry kids are rescued and saved not only from grave poverty, sickness and death but as well out from the hands of the sex and forced labor traffickers. As ambassadors of Christ, we taken a position of authority in any town, then you'll see that the Devil takes refuge in defense and hides, as his garbage business is broken. Usually a breakthrough revival takes place, people gets free and are being saved.

Drilling Wells of Clean Water is one of our heart prayers for the villages that drink contaminated water from the river, brooks or shallow wells. We want to give them good healthy water, and not let them die before being saved.

We have built around a dozen wells and by God's grace we believe to do more.

Youth and Children Camps, many who attend are kids coming from broken homes, very poor and needy, others from orphanages. Many of these kids are from our fresh harvest in church planting. These camps are not only evangelistic but like mobile training schools. After salvation takes place, are mini Bible seminars with much love, nourishing meals, and great child games.

Street Kids and Youth are always part of our outreach ministry to this dying world. We gather the dropped-outs from the street kids, who are coming from very poor regions and many broken homes. Many of these kids are physically, emotionally and sexually being abused. Jesus came for the outcast ones whom society has trashed and labeled them as unclean, thrown them to the junk container. But the real truth is, they didn't want or chose it, but they came this way, being forced out by the curse of the enemy. In this way they came into this world. Let's clothe and shoe these little precious outcasts, and offer them the Fatherhood of God.

Life Centers in Romania, we have a blessed one in Timisoara, and small ones in other poor regions of Romania. The difference is that we don't operate these from a home building, but reaching them around through homes and by the new churches.

So pray that the Lord will continue to provide financial miracles for housing, feeding, life and job training, and put back their precious broken life pieces together.

Please pray for our original co-founder and still actual main sponsor, Life Outreach International, James and Betty Robison, Steve Coetzee, and Phil Caldwell who fully decided and devoted from the very beginning to start along with us this kids Life Rescuing Center in Timisoara, Romania. And today, it is still our greatest supporter of the Life Center, and providing for the cold feet kids, winter warm shoes, and a couple of Life Spring water wells they built with us in Romania.

Last January newsletter emphasized was on Christmas shoes for the cold feet and has great testimonies of how the Lord supplied the need to hundreds of kids lacking the warm winter shoes.

However, today's Greatest Need in Romania is to train Pastors and Ministry Leaders.

I remind you about the greatest need, to training leaders and pastors in order to reach Romania for Christ. Over time this deepened in my heart as the greatest need of all, if continue with this outstanding ministry then we'll going to see a lot more miracles on the Gospel field of Romania, and Eastern Europe.

It stands as a cover for all the other ministries and needs. A true church, and its life outreach ministries must be the center of everything in the world. Where a church is for certain then there is a Kingdom manifestation of Life, the Kingdom of God is knocking at each town.

I pray, there will be churches and individuals, corporations and business men who will come to sponsor a one day, a two or a three day Bible seminar, so we'll never be short of funds to support anyone's call to be a pastor in the southern darken region of Romania. Let's do it by faith, praying that every town and village of the southeast may have a lighthouse church to shine into the people's hearts with the knowledge of God's Word.

We need you brothers and sisters who are called by God to plow and seed with us in Romania. You're chosen and sent out to be with us in Romania, like the Brown family, as well as Viorica and Me you have a role also!

Let's pray for U.S. Pastors who are making the entire trip just to take three days or a week teaching these pastors of Romania, provision, and safety and anointing.

Next news letter will have miracle testimonies of how God provided transportation for our families in the ministry, as each car came as with it's own miracles, like it's in our Lord's favor to give us good driving cars so the drive in will not suffer. They may be old but still reliable to take us wherever we're needed to be. I previously thought of sharing these stories but thought that maybe they are too long of a letter for you but not for me as I'm still inspired.

Thanks for your prayers and support, and have a great springtime!
