Construction Continues as Church grows in Romania

We had some great seminars with a great man of God, **Pastor Ed Huie**, who along with his son **Mathew**, and **Rev. John Morris** held a seminar on the Father son relationship and raising leaders in an apostolic way. Their teachings were directed to the new generation of leaders who are planting churches that are in great need of leaders and pastors.

We're seeing pastors change their way of ministry to a higher priority, to raise new leaders to succeed, and to leave a legacy after them.

Please continue to pray and come support the pastoral leadership conference and seminars, we ask USA pastors to expand their leadership ministries all the way to us in Romania. We invite you to continue to come and teach, and assist the growth of the church in Romania.

Spiritual Fathers and Sons in both Romania & Bulgaria.

Pastor Ed Huie

Thanks to the support of **Pastor Dale Yerton**, and WME Executive Director. Pastor Dale is the president of Living Faith, and the author of the *Foundation Truth Book* that is being translated and printed in Romanian. We had a new edited printed to meet the great demand from the leaders in Romania.

I just returned from two fascinating weeks in Romania and Bulgaria, along with my son Matt, and Jon Morris.

Many have been asking, "How was the trip?"

I honestly have to think about it because even though it was incredible, there are not adequate words to describe just how significant it was. In fact, perhaps only eternity will tell.....

I can't say enough about what Matt and Jon added to this trip. Their teaching were "spot on" and they were very well received. They truly did a fabulous job! I am so proud of them and privileged to have had them with me. We taught two conferences on

I want to say a public thank you to Dr. Yerton for sponsoring the actual new print of 3000 books that will be distributed to the leaders, and for his continuing true love for us in Romania.

Dr Yerton, Pastor Huie and others have been here several times over the course of more than a decade . Many times they have lead and tough our leadership training programs. Pastor Yerton is a father figure to me, and for our pastors in Romania.

Thanks also to WME, Kemp C. Holden, Jr. who encourages other pastors and Bible teachers to come, support and teach for the pastors and new coming leaders in Romania, and for their love yearly project they bring us in Romania.

SEND A GIFT FOR THE SUMMER OUTREACHES

Dear God's Giver and Children Protector,

Let's be a gift from God for this summer season, fulfilling the Lord's words that each one of us must reach to the end of the earth.

Your compassion will give a chance to the

future of a needy child that is on the edge of life and death, let's chose life for him or her.

There are thousands of kids we know that are living under poverty level, and in no way will they get money to enjoy a summer camp. An orphan without money will not get out for a vacation with us, unless we get involved as Jesus hands .

Good food for the camps takes lots of money, and the blessing it brings is life itself.

We still need money to cover all the camps for this summer. Please send a gift of support.

\$20 will support a child in this summer camp.

Christina's Story

Christina's mom forgot all about her after she left the country. Christina was raised by her grandmother.

The grandma lived in poverty but she wouldn't let Christina become the next street kid, so she took to sharing the last morsels of flour and oil she had. A miracle blessing of more came, just like with the widow of Sarepta.

By divine destination Christina ended up to be part of our children's camp where she was saved, and became an active part of our newly planted church in her village. We took care and attended to her spiritual, emotional and physical needs as we looked into her education. She is blessed with clear though and ability to quickly learn things.

Now, she is pursuing a higher education at a university in Timisoara. In fact, as I'm writing this letter she is taking the admissions tests. We worry not, for in High School she was a honor student. Our help to her through the Life Center made it possible for her to complete High School. We will continue to support her with living and college expenses.

What a blessing it is to have her on her last training stage for life, a life that is being won to Christ forever, and ahead of her is a full life with God, education and a hope for a good future.

Sandra's Story

Along with Christina is another of our raised daughters, Sandra, whose family is very close to Pastor Milo. She grew up with us in a very strong church we planted there many years ago. The Cordun church is God's stronghold for the whole surrounding region of Mehedinti county. The Sandula family were among the first who were saved and the whole family are pillars in the church.

They serve in all church's outreaches to evangelize, plant churches, train, and reaching out to the poor and orphans in the towns and villages around. Their father is an outreach leader of the church and the whole family faithfully follows the priest of their house.

Though the family lives on the edge, they never complained of the many shortages or of the few simple stuff they have, but always being thankful to the Great Provider, stepping in faith, and volunteer all their extra time in their ministry to the Lord.

Soon Sandra will come for a couple of years to be housed at Life Center and follow up with

a college education. This would not be possible unless there was a Life Center.

I would like to mention here as well, that these 150 believers at Cordun church, and the several churches planted in villages around it would never have been possible without a man of God who was obedient to His Word.

Rev. Joseph and Estrella Ruitz from San Francisco sacrificed their whole savings of about \$20,000 that was destined for home improvements and a much needed updated kitchen. Instead the Lord spoke to them to sponsor this church, they heard His voice, "Joseph I want you to build my church in Cordun, Romania." Joseph can tell you better than me that he was blessed many times over after the flow of his blessing went out to reach the town of Cordun.

We praise God for the **Clark's family** who just sent a generous building offering for Motru Church. May the Lord Bless them with an over abundant rain of Heaven.

Thank the Lord for **Pastor Spear** who gives each month an offering for the church building of Garbovat. May the Lord pour His rain from Heaven over the Dayspring Pentecostal church of Dallas.

We surely pray for all of you.

My dears, family in Christ, I do remind you about the church building under construction in Motru and Garbovat, as you know we're praying to build these before the cold season of this year. We need to get the church inside the buildings, sheltered from the winter weather.

Thanks for praying with us, He is able to do more than we think, plan and believe!

Yours for Christ, in Romania,

*John & Viorica
