

Christ Commission For Romania

July Newsletter, from the fields of Romania

Greetings from the Harvesting land of Romania!

Presently, we were traveling and ministering. The harvest is in full season and we are with the laborers right in the field. I just returned from our three day, annual leaders conference and from speaking this past Sunday to three congregations. I was speaking in the area of Brasov where the conference took place. I would have done more except they didn't know how to split me in three or four different churches.

We praise God for this best, Leadership Bible Conference, where about 200 leaders were present. God blessed us, and the room was filled with His love and glory.

Many of the present will no longer be the same but will take the new teaching and anointing to their homes, churches and communities. Let's believe and thank the Lord that this will bring a multiplication of springs and brooks of life wherever these leaders are. Pray that they dig deeper living wells in their local church and ministries. Already, pastors are calling me from all over the country, showing their thanks and encouragements to continue to reach the lonely church leaders of Romania. The pastors are the most neglected people, who are left with no spiritual authority and cover over them, or to whom they should turn to share their deep needs, concerns and fears.

A couple pastors called to ask for more complete notes of some subjects taught in the Bible seminar as they wanted to start teaching these priceless Bible lessons to their own congregations.

Thank the Lord for **Bishop Richard Heard** who took his precious time to be with us on this big pastors gathering. His life and ministry experience and inspired teaching left a deep impact on these precious leaders in Romania.

Pray for the local leaders Bible seminars that will take place one each week. Please stand with me that the will of God will be revealed and His power reflected through the words I'll speak. We need lives changed not just mended, we need humans systems removed and replaced with God's heart apostolic structure. As for myself and my team, we can do nothing but only Jesus in us makes the difference.

This is an extension outreach to the leaders. The national Bible leaders conferences is like an evangelistic outreach but with a follow-up gathering of the harvest. We make disciples and set them to work, seeding the fields and harvesting. This is the most important part of this ministry to fellowship, disciple and spend quality time with the leaders.

We still need funds to support this outstanding outreach, if you do pray and the Lord speaks to you, please send

your support. Any small or big offering makes a big difference.

Please U.S. pastors give a hand to the Romanian pastors. **Pray** for the children and youth camps that have already begun. **Pray** for good weather, the weather is an important component to a victorious camp. Presently the weather is stormy, with cold and hot spells. Anything like that may mess any outdoors camp. Also if it is too hot it can be hard to cool down the little children. Our Romania weather shifts between cold to tropical and the air-conditioner is not yet in site. We stand and believe in prayer with you that no one will get sick or need to be hospitalized, and may the Lord keep us from any other dangers, like driving to the camps and back home. We need the deliverance power and His healing mercy. May His spirit show up and let us use the authority of the power of God in this place. **Pray** for all to be saved, delivered and for the emotionally wounded to be made whole in spirit, soul and body.

Also **pray** that we have the provision for each child and youth at the camps. Help us to run well and finish well this race. Any given toward it will be used wisely and sparingly to lift up the little precious souls.

Again, **please pray** for our own ministry and expenses. I rely only on God, and like always we should not run out of gas, supplies or food for meals. We need to feed leaders who make long walks or bicycle rides as well for the hungry pale kids at the camps.

And pray for a revival season of Romania and the timing is right now!

Pray for our extensive traveling in Romania that we'll be safe while driving. My whole family of six will be going from one ministry place to another.

Thanks to all of you,
John & Viorica Dolinschi
