Our dear friends, we are praying and wishing you the blessings of our Lord Jesus Christ, to rest on you and all of yours! We are thankful to God and to you. We're loving the Lord with all of our strength, and we love you as we love ourselves, as this is the greatest commandment.

Many of you have shown your love for God and your love for us with the goods you share with us in Romania! Thanks for making us

special and precious before our Lord Jesus, by your help we become stronger and unwavering!

Here following is a personal annual newsletter from one of our CCFR fellowship pastors who is very closely connected with us. He is my spiritual son who has been raised in our ministry since he was a little baby in Christ. His vision is to reach out to Romania and the whole world for Christ.

Pastor Milo & Nina Novacovici, both graduated in 1990 from our Timisoara Bible School. Brother Milo as a young believer, filled with the divine passion went right away to be an evangelist and church planter. He works with the unreached people of Oltenia region that is in the far south of Romania. Soon after Milo and Nina married their ministry really came to life. They raised their own three kids, and many spiritual sons in the Lord, striving to make each new believer a true disciple of Jesus Christ. I am presenting just one ministry out from several who are making a great difference in Romania. Between these pastoral team and friends it may look like a course raise competition, but none of these pastors are trying to compete with each other. Instead assisting one another to succeed so the Kingdom of God may win new territories, the souls of men, they work as one.

This letter is so you may know a little more that your work and efforts are not in vain. You are standing not only behind a man but the people of Romania, and many co-workers.

Milo's Report

In September of 2017, with the team formed with four families, we started the planting of a church that in a few months has grown to over 100 people. Please stand with us and keep us in prayer, and the whole CCFRomania outreach. Also pray for John and Viorica as together we labor as one large and great family for Romania. Pray with us for traveling mercy and authority from above so every little or big thing we do for the Lord will succeed. ***Now is the open season to travel and minister intensively in Romania.***

This church start is in Viarregio, Italy. It serves the Romanians that live there. The generation of leaders for the new church in Italy are developing themselves, growing to be able to achieve the purpose which God has for them. The older people also anchor their lives to enter in their destiny.

The School for Mission

is the training of a new generation to enter in its destiny. The Romanian nation and other nations are their aim.

YOUTH AND CHILDREN MINISTRY

HAD A GREAT IMPACT THIS YEAR.

Camps, prayers, street evangelization, are factors that built the unity among youth in the churches of our ministry.

Along with the 150 participants this year we enjoyed a great atmosphere in the Mountains of Closani. The fellowship, worship and touching from The Holy Spirit made this week an unforgettable life changing experience!

Youth meetings are made with a lot of enthusiasm. Along with some youth from Cluj and Timisoara we held great activities that built youth's lives in their personal relationship with God and also with their families.

Helping the Poor!

Over 1000 persons got humanitarian help in our **Easter and Christmas** helping projects in Motru, served widows, orphans and poor families. This is part of our priority in the ministry when we plant churches.

There is a new generation rising up! *Please come and visit with us if you can*, and if you can't travel please, pray and support us in Romania.

Thanks, John and Viorica Dolinschi
