

Dear Loved ones in Christ!

It's my joy to touch base with you again, though it's just in writing. I do this the same way I'm speaking to you, personally, for to me all of you are in my heart and thoughts.

Thanks for being faithful with us while we've been toiling the white fields of Romania.

I'm back here in the family bosom and ready for any ministry travel around America. Some of you I hadn't seen for a long time, maybe a couple of years or with others even longer. And you know what? I'm missing you and have a deep desire to see you again. Maybe you think that our low ministry funds are a motivation to visit, but as many of you know me, I walk by faith not necessary on the wise-man path of fund raising. My heart is just to reconnect with you, to thank you and bring you a praise report, and maybe a special Bible word to you, and hug your neck, and refresh our memories.

The faces and the eyes you don't see you forget about. This is true in Romania or here in America, unless the Spirit leads from the inside and we stay united in the Spirit of love. **If anyone would like to have me visit please let me know, either write or call me personally, at jdolinschi@aol.com or at my cell 903 422-4138.** As you may notice I do have a new cell phone number so please write it down and delete the old one.

PTL! With this new phone I'm available at all times, we can call each other even while I'm traveling in Europe.

STREET PEOPLE OUTREACH

Here Costel Prisacaru, the Director of LIFE CENTER, Timisoara, is writing.

The end of September we cooked and served a meal for the street people and kids. Around 80 of them were blessed with a meal they seldom are able to get. We were glad that John Dolinschi was with us and assisted with the extra needed funds to make this outreach possible, moreover, he preached and

blessed them with the message of salvation, and motivated them to get out of the street. He encouraged them to every day pray to Jesus, and trust God to be rescued out from the street.

Teaching New students at Life Center

The street people, old, young and teenagers thanked us for the good food and the message of life they had received and at the end asked for prayer, and we asked them to give their lives to Christ, and most of them came up to receive personal prayer. And our Life Center students helped with serving the meal, playing and

singing and counseling the youth and the kids, and sure they were very excited in reaching the souls for Christ.

A couple of our students stated that they may have ended up on the street as well, if God's saving hand was not over them. The Lord sent the Life Center to rescue them from their own downward road.

Life Center Outreach to the Street people

In early October we had a special dinner night for all the former graduates who were available in the city, and it was a good time of fellowship with the former and new students. Our precious ones who left the Life Center home, felt great to be back in the family and to tell their miracle stories about leaving us and how they lived on their own. Many of them still stay connected with us to receive true-loving counsel from us. We rejoice at how the Lord blessed and has taken care of them in their new life. We're happy that some of the graduates are still a part of the Life Center, and still join the outreaches programs.

Life Center has about 45 students who were blessed to be accepted at the Life Center facilities, all of them have their own stories, that tells us that if we were not there for them, they wouldn't have been rescued, delivered and saved for eternity. Some could be victims of various trafficking, and all were privileged to be taken out from a life of peril and poverty into a life of prosperity, helped and assisted to attend professional training schools and colleges.

Christmas Shoe Project, for the street and the very poor kids:

Here I want to remind you about the Christmas shoe and clothing project which for many years has been running with the Life Center ministry.

These Christmas gifts offer more than a nice gifts for the well cared kids but rather it is meant to warm the cold feet. This very needed ministry rescues the street and very poor large family kids who have little no warm shoes for their feet. We know some of the poor children will miss school on the very cold days as they don't have a warm shoe on their feet, and we endeavor that no one should miss school or not go out and play in the snow because of lack of shoes.

It became a custom for us to provide a delicious Christmas meal for both Life Center youth, orphans and street kids, and if left over to bless some very poor families who can't provide a blissful Christmas day for their many kids.

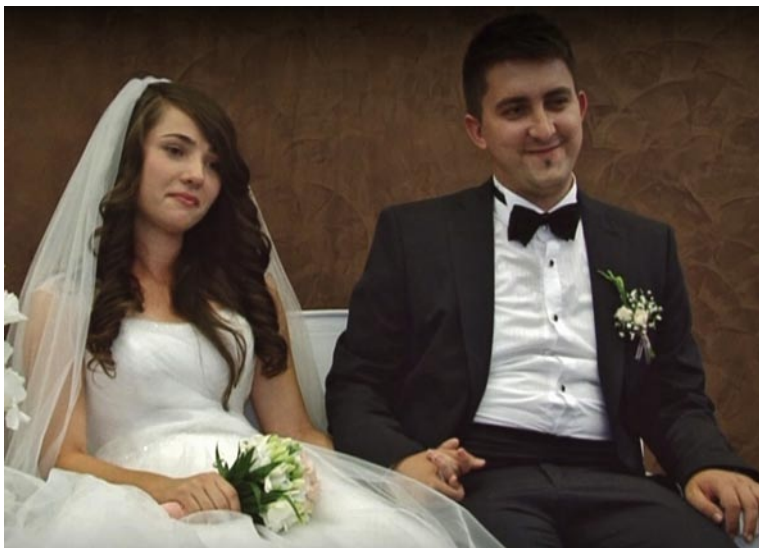

Your extra offering gift will be great in meeting this need. I specially send my

plea to you who are not regular monthly givers but gives here and there as the Lord may provide it for you. And encourage you who may never in the past gave to this ministry, here is a great occasion to reach and sow the seed for Christ in Romania, including those who are receiving electronically this news letter.

Pastor Lazar Dumitru

Pastor Lazar Dumitru is pastoring a Gypsy congregation in the Gypsy town of Argentoaia. He has planted other village churches and his heart is so big that he is always on the run for Jesus to save the souls of the poor Gypsy communities. For me I feel ashamed to see this pastor struggling with life and family support and still labor full time on the white fields of his Gypsy towns and villages. I do help here and there as much as I can and mostly I share with him from my own support as there is not a monthly sponsor yet

Wedding time at Life Center

for him. It will be a great joy and relief for me to hear someone ease his burden and my burden, and to know he labors freely right where his heart is and where he belongs. The church he pastors is growing rapidly and has become a large church for the southern region of Romania but the Gypsy people are very poor there and many times he helps them and finds himself lacking. However, there is a circle of love, the poor are helping the very poor, and for me this is a miracle of love that never fails.

Praying for the Dolinschi, the Leaders Team, and Romania's Projects!

Praise the Lord for an outreach among the illiterate Gypsies, whose children will be helped to read and write and taught math. Please pray that the work among the Gypsies will become more and more financial possibility. Praise God for **brother Georg and Martha Ort** who just a couple of weeks ago came to the South-Eastern part of Romania to help with illiterate Gypsy children. There is a very high percentage of them whom are illiterate and need immediate help.

Please pray for the much needed funds. This outreach is rather difficult and time consuming hard work. We would like to bring some of these kids to the Life Center.

Praise the Lord for a great time at the leadership conference and Bible seminars. We made a difference to a couple of hundred church and ministry leaders, many among them were Gypsy church leaders.

PTL! For the Resurrection Fellowship media team who visited us in the last part of September. Pastor Adam, Matt and Jonathan, did for us a great loving service!

Now, we have a professional 5 minutes tape about our main focus ministries in Romania. It will be available soon.

Praise God that the building of Motru church this September was dedicated to be used by God's people. We now have a spacious and comfortable sanctuary in use for the church members and housing the outreaches of the city many needs.

Please pray for the gas - wood heating furnace that it's still lacking, and we're praying and waiting for the needed funds to buy it, otherwise people will be seating in the cold over this freezing winter season.

Please pray for the chairs, that are still lacking, actually people are sitting on old, partly broken various size seats, but these are only a few and don't cover the need of all people.

Please pray for **Pastor Milo and Nina Novacovici** and their family who are in need of personal financial support as their support is very low and uncertain, and not enough to pay for the winter's high home expenses. Pastor Milo is the pioneer of the South Oltenia region who planted dozen of churches and trained lots of church leaders and pastors. Pastor Milo is running on a higher speed than any time before.

Pray for us, the **Dolinschi family**, we're still needing another car or two, we have two cars for everyone to use, Nathan is sharing the one

Teaching and Staff meetings

with me and my wife, but the two daughters will need at least one more.

Praise the Lord for the safety while traveling in Romania or here, and for the divine health the Lord is bestowing on us. It would be hard to continue if we needed the hospital, treatment or prescription medicine.

The Lord is good all the time, and we praise His Name!

And we know your joined prayer with us will reach the heaven, and will bring results and accomplishments on all sides around all of us.

How Everyone May Help!

As most of you may know, we're a very small ministry regarding the staff member here in America. If I'm counted to be one here as you may know, I'm just about half of a year time here, and though I'm here I'm still a lot in Romania working and communicating with leaders and brothers there. I'm fully responsible for all those who are visiting us in Romania,

on invitations, itinerary and schedules, supporting and helps, and besides keeping in touch with you by emails, calls and visiting with you.

Brother Bob Brown is part timer with CCFR, he takes a day off from his printing job to work for CCFR, and besides I do believe, he and his wife Millynne are taken some time on some evenings and weekends to make the ends met for this ministry. Please pray for the Brown's family as well, to keep them in good health within Gods given strength to accomplish well what they are supposed to do and finish. He is taking care of our accounting and banking, and making wires to different ministries in Romania, besides editing printing and mailing this news letter.

Now, How You May Get Involved:

First; we need a programmer specialist to manage CCFR web site, at this time we don't have anyone to work on it.

Secondly, there are ministry ends you can assist us with, call or write and I'll let you know what is all about.

Thirdly, everyone can do a ministry presentation to your family and good friends, and many of you knows some business men around you, and maybe your own boss at your place of work may be willing to assist us with one time offering toward these worthy projects: Gypsy outreaches to feed the hungry striving kids, and to support the illiterate Gypsy kids and bless them to further their education and carrier, train ministry leaders and plant embassy churches to reach and rescue the fallen.

Here is the Christmas food, shoe and clothing need to bless the poor and the lonely, who are lacking a holiday meal, a piece of new clothing and a shoe to put on their feet. And it's easy to hand to the pastor of your church a news letter and a word of encouragement to stretch a hand toward Romania missions.

Psalm 112 : 5, 9, Good will come to man who lend generously and conducts his business fairly. He distributes freely to the poor; his righteousness endures forever. His horn will be exalted in honor. Amen, Amen!

Thanks for praying heartily and in the Spirit of love,

John & Viorica Dolinschi and family,
