

MARCH-APRIL 2025 REPORT FROM ROMANIA

Greetings

Let us rejoice with thanksgiving for the completeness of God and His deliberate sufficiency, covering us wholly and uniting two or three of us in a pivotal nucleus to become a dynamic power of God on the earth. Consequently, we are never alone or lonely, as the unlimited eternity lies within us. So, let us enjoy, be glad, and lift our thanksgiving and praises unto our Lord!

Springtime Plans & God's Direction

For this spring, the Lord changed my prior plans. I originally intended to write a book and take a mission itinerary through the southeastern United States. However, God redirected me to focus intensely on writing this book and to leave for Romania a month and a half earlier than planned, as there was an urgent call from God to complete a work we started there last year.

As a result, the anointing Spirit of revelation was poured over me, and I completed a 270-page book in less than two months. For nearly a year, I resisted writing this book, but the burden became so heavy that I surrendered, and then the Lord took over. Reading this book will lead one to place their hand into the Lord's, allowing the Holy Spirit to prepare us for a face-to-face meeting with our Savior, gazing into the celestial eyes of our divine Lover. "Philadelphia, Laodicea & the Emerging Bride" is a study of the end times, the final era of the Church, and the Church-Bride that will be taken up in the rapture. One thing is certain—the Lord is coming very soon, so be prepared!

Receiving Your Copy of the Book

Before leaving for Romania in early April, I will mail a copy of the book to each person who has financially blessed the Romanian ministry in the last six months. Additionally, I will send copies to other friends whose addresses I have and who have stood with me in reaching Romania for Christ.

Our leadership training program continues to raise new leaders into the maturity of Christ. Many are being transformed from spiritual infancy into strong, mature disciples of Jesus.

During April and May, we will be honored to host Pastor, Teacher, Evangelist, Missionary, and Doctor of Theology, the apostolic leader Harley Fiddler, as he celebrates his 90th birthday with us in Romania. My longtime friend Harley and I have been connected since 1984-1985 when he taught at CFNI in Dallas. Since the mid-1990s, he has made ministering visits to Romania, and even today, he remains strong in the Lord.

Harley has an unshakable personal belief that he will still be walking on the earth when Jesus comes to take His Bride home. So, let us keep running our race faithfully, keeping our hearts and minds fixed on Christ, for His coming is near!

We will have Harley teaching in four Bible maturity seminars across Romania, covering areas from the western Hungarian border to the southern Bulgarian border and extending far beyond Bucharest in the east. Besides his teaching, Harley is passionate about evangelism—sharing the Word, encouraging people, and helping them discover God's love, moving like a heavenly fireball wherever he goes.

Years ago, while my parents were still alive, Harley visited them with me. At the time, my father suffered from a severe condition—his legs were blackened from the knees down, and he could barely walk. Harley, moved by love, spoke the Word over him, prayed for him, and by the second day, my father's legs returned to normal, healed completely, with the disease never returning!

Harley loves Romania deeply, and I ask you to pray for his strength and for a victorious ministry so that many lives will be touched and transformed during this time.

Our Own Missionary Work in Romania

While Harley will be covering many areas, Viorica, Christina, and I will be traveling even farther—reaching northern and central Romania, Moldova, and the Ukrainian border. Our mission remains the same: teaching, preaching, evangelizing, and counseling disciples of Jesus to remain steadfast, strong, and ready for Christ's return.

The book you will receive sounds the alarm of Christ's coming! I am reaching out personally to you—please read it and prepare your heart for His return.

Present Focus of CCF Romania Ministries

Our ministry is expanding, reaching new regions of Romania while improving and deepening our existing efforts. Wherever the Lord leads, we will go—no matter the dangers, no matter the poverty, no matter the ethnicity (whether Romanians, Gypsies, Russians, or Turks).

We are committed to helping large families in need, ensuring that children receive proper clothing and food. If emotional needs arise—whether loneliness, physical suffering, or spiritual separation—we step in to fill the gap, bringing hope and healing through Christ. "Blessed is that servant whom his master will find doing so when he comes" (Luke 12:43).

Two Coaching Ministries

The Life Center in Timisoara, along with other national ministries, is actively supporting students, equipping them both professionally and spiritually so they can become effective workers in the Lord's harvest field.

Meanwhile, in Suceava, the CFN Bible Church and Discipleship Training Center has purchased a large building for expanded ministry. The funds for this were made possible by selling their old facility, enabling a fresh start for revival in this northern region of Romania. A full report on this exciting development will be included in our next newsletter.

You Are a Part of This Mission!

If you are reading this message, then you are a vital part of this mission! You are not just a supporter—you are an integral team member of the ministry, carrying a divine impartation with us.

Your prayers make a real difference on the field, and your financial support fuels the work—like filling a gas tank to drive an extra mile for the Lord. The same eternal reward that awaits those on the frontlines will also be shared with you as a faithful supporter.

We will keep in touch from Romania, and if you contribute to the ministry, expect a special thank-you postcard from wherever we may be in the country!

My family and I extend our heartfelt thanks to those who faithfully support our ministry and respond to the needs we encounter. Your prayers and generous contributions empower us to meet both ongoing and urgent needs in the lives of those we serve, advancing His Kingdom here on earth with love, compassion, and purpose.
